

“Thanks for the ride to the game, I really appreciate it”. At that moment we cut to a close-up of the tickets in Col. Francis’s hand. The wind from the open door on the plane, rips the tickets from his hand. Cut to a close up of everyone’s face looking at each other. The Golden Knights Colonel says, “C’mom we can’t let him litter!, lets GO! GO! GO!” and the Golden Knights all jump from the plane.

We cut to a Goat on the ground, making “Baaa” noises frantically. The goats eyes bulge in fear, it makes one last “BAAAAAAA” as Col. Francis and the Golden Knights land on the goat. It yelps, and football pops out. The two Colonels say, “Go Army”.... “Beat Navy”. And smile. At that moment, the Army/Navy Football game tickets gently flutter down in from of them.

GO ARMY BEAT NAVY!
